

Position Description:

**Post Blast Investigation
(PBI)**

Title:

Lead Instructor

Course Description:

This course teaches techniques of bomb scene investigation, methods used to identify materials, and analysis of evidence to identify perpetrators. The majority of this course is conducted in an academic learning environment using lecture, group discussions, case studies, and practical exercises investigating explosive blast scenes. The objective of this course is to provide the participants with the skills to investigate explosive incidents. Lastly, the course concludes with a small group exercise in which attendees prepare a notional plan on the training necessary to maintain PBI skills within their country.

Description of Duties:

Responsible for conducting classroom instruction, presentations and exercises in accordance with the guidelines and directives set forth by the Department of State Diplomatic Security Antiterrorism Assistance Program (ATA).

Responsible for ensuring only current ATA approved training materials (lesson plans, participant handouts, videos, case studies, etc.) are used in the delivery of ATA courses.

Responsible for returning **all** ATA training materials, including course CDs and ensuring that all ATA downloaded materials are deleted at the end of the course presentation by all instructors involved in the delivery of ATA courses.

Additional Duties and Responsibilities:

1. Liaise with DS/ATA Training Coordinator on all aspects of training and accept and follow any specific instruction provided by that DS/ATA Coordinator
2. Coordinate classroom preparation
3. Draft End of Course Review for submission utilizing ATA approved reporting format
4. Administer Pre/Post Knowledge Surveys and summarize results utilizing ATA approved format
5. Administer Course Participant Skills Evaluations (when appropriate) and summarize results utilizing ATA approved format
6. Administer Course Critique and summarize results utilizing ATA approved format
7. Responsible for the day to day operational activities as reflected in the program of instruction
8. Responsible for validating, justifying and reporting any deviations from the program of instruction.

9. Supervises and assigns daily activities for staff instructors.
10. Interact professionally outside of normal training hours with course participants and training venue officials when appropriate and approved by ATA.

General
Qualifications:

1. Bachelors Degree or equivalent work experience in the field. Five years work subject matter related experience may be substituted for one year education.
2. In situations where the subject matter is considered cutting edge procedures or technologies, evaluations of candidates credentials will be considered on a case by case basis.
